The sport of Cowboy Action Shooting (CAS) consists of shooting at targets, many of which are steel, with live lead ammunition. For the safety of all participants and spectators, ***All Ammunition Used Must Be Loaded to Single Action Shooting Society (SASS) Specifications.*** If you are uncertain of your ammunition speed or type, please contact the match director for a ruling (match director's rulings are final).

Participation in this sport is done with the knowledge that shooting firearms can be inherently dangerous and it is impossible to guarantee that occasional lead splatter will not enter the shooting and spectator area.

The Conservation & Sportsmen's Club of Thurmont, MD Inc. (TCSC) will take every precaution to make this activity as safe as possible. However, we cannot and will not be held responsible for personal injuries, damage to vehicles, equipment, firearms or clothing of participants or spectators.

Unsafe behavior, improper use of firearms, failure to obey instructions, use of alcohol or drugs (illegal or performance hampering prescription), or failure to respond to any safety command will result in immediate disqualification from the match. The participant may, at the discretion of the Match Director, be escorted off the TCSC grounds for a violation of any of the above, the Match Director will make the final determination on any of the above mentioned, and the Match Director's rulings are deemed to be final.

Signing this registration form indicates that you agree to abide by the conditions stated above during this match, as well as any subsequent CAS events held at TCSC and, further, that you hereby knowingly forfeit any right you might have, individual or otherwise (including the acts of third parties), to hold TCSC, its Officers, Directors, Workers and Event Personnel or SASS liable for any injuries or damage sustained while participating in CAS events on TCSC grounds regardless of their cause or nature. Signature is required, no printing, digital or typed signatures accepted.
